

KEEP IT CLEAN

**'cause WE'RE ALL
DOWNSTREAM**

**Water that goes
down a storm drain
flows untreated to
a Colorado stream.
Water can pick up
pollutants along the
way. Please do your
part to protect our water!
Help the City of Loveland
protect Colorado's water and
report illegal dumping by calling
the City's Stormwater Hot Line
number: **(970) 962-2761****
